Helicopter Builds New Hydro Lines Near Minden

A pioneer in airborne line construction techniques, Ontario Hydro is using a Sikorsky 58-T helicopter to build four miles of 7200 volt rural line at Redstone lake, 20 miles north east of Minden.

One hundred and fifty poles complete with hardware, which even includes transformers in some cases, will be airlifted from nearby Kennesis lake. Poles with transformers mounted weigh as much as 700 lbs. The conductors will also be strung from the air. Savings of up to 50 per cent can be realized using helicopters for line construction work in inaccessible areas such as this.

The pilot, who cannot see the ground directly below him, positions the pole guided by an observer in the passenger section of the helicopter. Men on the ground help guide the butt of the pole into the hole. The machine works in alternate directions along the line to give

the crew time to move from structure to structure.

The helicopter crews are based in Toronto but all other members of the work force are from Hydro's area office at Minden.

Ontario Hydro has used helicopters since 1949 for a variety of operations including line inspection, spraying, aerial surveys, photography, transportation of personnel and many types of construction work. Hydro was the first utility in North America to operate its

own fleet, which now number 13 machines. The 12 pilots on the staff flew 6233 hours last year on these various assignments.

WATCH FOR ROTARY BINGO

Many people have been inquiring when the Rotary Bingos will start in the new year.

Rotary Club Committee members said on Monday night the Bingo will be starting sometime the end of February or the first of March. A notice will be placed in this paper at a later date.

THURSDAY SMILE

"Mommy, can I swim in the ocean?"

"No, dear, the water is too rough."

"But daddy's swimming."

"Daddy's insured."

LEAVE DECORATIONS UP

The Winter Carnival Committee have asked that all Christmas decorations stay up until after the Carnival. It is felt that because Minden has so many beautiful decorated homes, it adds to the festivities of Winter Carnival Weekend.

GLEN HODGSON RECEIVES APPOINTMENT

It was announced by Honourable William Davis, Friday, that R. Glen Hodgson, M.P.P. would be a Member of a special Legislature Committee, to undertake consideration of the implications for public policy of the Report of the Interdepartmental task force on Foreign Investment in Ontario. The Legislature ordered the special committee to make an interim or final report by March 1, 1972.

Mr. Hodgson, in an interview following the appointment, stated he hoped for a response from business, labour, finance and the general public. Such a response, Mr. Hodgson hopes, will be directed toward promoting the interests of the Canadian people and the residents of this province, while still respecting our past commitments. He believes this must be the cornerstone of our policies. Our people, he stated, have a right to expect that Government policies will consider their future aspirations as well as their present needs.

Mr. Hodgson said the issue of foreign investment is far too important not to have our people's views before a final determination of national policies; we all have a vital stake in the final outcome. Mr. Hodgson, hopes to have your opinion by January 15th in order for the Committee to have them for full consideration.

OBJECTIVE \$75,000 — Total To Date \$62,044.20

Each week a list will appear in this paper of those who have donated to the Recreation Centre Fund.

Revenue - Fair Day	\$ 6.00
Cathy Howe	\$ 10.00
Jeff Howe	\$ 10.00
Eve Corneil (Omeme)	\$ 6.00

HAPPY NEW YEAR

IT IS OUR PLEASURE

TO SEND YOU OUR VERY

BEST WISHES FOR THE COMING YEAR

Ontario Hydro's new Sikorsky 58-T hovers a few feet above the ground while workmen attaches lifting rope to quick release cargo hook. The helicopter is being used to build four miles of rural line at Redstone Lake, north of Minden.

HERE AND THERE

with Fenwick Finch

As I sit here and write this it will be the last thing I do in 1971. As soon as this is finished I intend to sit down with a wee "drahm" of "Haig's Dimple" my good friend Phil Graham brought me back from his last trip to Scotland — as I sip it may I wish you in the words of my Grandfather — "The best of everything to you, and, confusion to your enemies."

This past Christmas was my 29th "borrowed" Christmas. Let me take you back thirty years and you'll see what I mean.

On December 19th, 1941 my first daughter was born — and, on Christmas Day my family returned home. The following March I received news from Army Doctors that changed my way of living. Following the examination at the Basic Training Centre, Peterborough I was turned back to civilian life before I really got started — they came up with "an aneurism of the aortic arch of the heart." their prognosis, 3 to 6 months.

My whole life changed at that moment — everything I did was done carefully with one eye on the sword hanging over my head. Christmas of 1942, my first "borrowed" Christmas, found with two things to be thankful for — I'd lived past my six months limit and my second daughter was born that day. My one wish at that time was that I would be allowed to live until my girls had grown up.

"Borrowed" Christmas's kept going by, I was in and out of hospitals but I always went out the "same door I went in." This way of life went on until March of 1959 when I was hit a little harder than usual, a little over a month later I was in circulation again and with another change in my way of life I carried on until December of 1969, ten years later. On the date of my first daughter's birthday I was lowered again. As I was placed in the ambulance I never knew such fear and despair — I was sure this was the final trip. I didn't want to leave the house for I was sure I would never be back. For the next four days my life hung in the balance, then I came back and, on Christmas Day, the date of my second daughter's birthday, I got a new lease on life.

The Christmas of 1970 was quiet because during the latter part of June my good wife had a serious coronary so we weren't too active.

Christmas of 1971 saw one of the best we have had. To me, there was a whole new life ahead for me — I had just retired from almost 37 years in the business world and, whatever time is ahead of me would see me with the chance to do a great many things I had wanted to but had never had the time for.

I'm reconciled to the fact that the time will come when I won't "come out of the same door of the hospital that I went in" but I'm deeply thankful for the time I've had and I'm looking forward to as many "borrowed" Christmas's the good Lord will allow me.

Well, that's it for this week and 1971. I'm going to pour Phil's libation, put my money out on the door stoop and relax and look forward to the future.

To the many people in the past who have helped me through the "rough spots" and to my many friends once more, join me in Grandfather's toast — "The best of everything to you, and, confusion to your enemies."

Fenwick

HYLAND CREST NEWS

Christmas at Hyland Crest has been a time to remember for everyone who lives and works there. The Home has been beautifully decorated with lights, trees and colourful window artistry, as well as with a 25 ft. tree on the lawn, the lights of which are to be seen across the village. The large tree and many of the decorations have been donated by local businessmen. These contributions to the Christmas atmosphere of the Home is most valuable and appreciated in many ways.

Christmas was introduced to the Home when the C.G.I.T. from Haliburton presented their annual Carol Service on December 1st, to the enjoyment of all.

The Residents were entertained on December 16th by the Home Auxiliary when each one received a gift from Santa Claus. From then on the Christmas Spirit has been continually in evidence as several groups of carollers sang. The Kindergarten classes from the Minden school presented their Nativity pageant as well as singing carols as only these little ones can do.

Christmas day was the crowning occasion when Santa made his second appearance and again unloaded the tree while greeting everyone with his jolly good wishes. The gaily decorated dining room was the setting for the family Christmas dinner when a number of families were able to join their relatives at the Festive Board. Another greatly appreciated event was the Holy Eucharist Service conducted by Rev. A. Hutchison in the Chapel on Christmas night.

There has been much activity during the Holiday Season which has culminated a year of co-operation by many volunteers who regularly entertain and work along with the Residents — to all these volunteers, a most hearty vote of thanks. Along with expressions of appreciation there goes a reminder that the Residents at Hyland Crest, who are the pioneers of the Community, are worthy of thoughtfulness all year round and they look forward to seeing and talking to friends, both old and new, at every Season of the year. Don't let the 'after the Holiday doldrums' happen at Hyland Crest for want of Community interest and participation.

From the Residents and staff at Hyland Crest A Happy New Year to All.

GAIL SAWYER IS WINNER IN "NAME THE HUSKY CONTEST" - HUSKIES MUST WIN SAT.

Gail Sawyer was announced as the winner of the "Name the Husky Contest" at the Haliburton Huskies regular home game on Xmas night. Gail, who attends the West Guilford public School is the daughter of Mr. and Mrs. Carl Sawyer. Gail has always been an avid hockey fan as her 2 oldest brothers played for the Huskies for several years and were members of the Huskies during the club's first few years in the league.

The name that Gail chose was "Go Go", and was picked because of its appeal in relation to the ever frequent chant heard in the arena, "Go Huskies Go". She will receive a cheque for \$10.00 and an autographed stick signed by all the players of this year's team.

The management would like to thank all the young people that participated in the contest and hope that they will support the Huskies in years to come.

Huskies Play Lakefield this Sat. A must game for the Huskies.

The Haliburton Huskies return to the ice again this Thursday night in Fenelon Falls and then return to the Haliburton arena on Sat. night as they face the first place Lakefield club. The Huskies have hit a mid-season slump and are now battling Bancroft for second place. Although the Huskies have lost to the Lakefield club 3 times this season, it has been by only 2 goals in each contest. The Huskies themselves have been working hard during the past week to get back on the beam as they lost 3 out of 4 games over the

holidays.

The game against Lakefield on Sat. night should be a good match and the players have vowed that they will certainly be up for this one as first place is still in sight. The schedule is now half over and shows Lakefield in first place, the Huskies in second, Bancroft in third and Cannington in fourth. If the Huskies can win both their matches this week they can still overtake the Lakefield club and retain the league trophy that is presented to the first place club. Don Nicholson is the leading scorer as he added 9 points in Haliburton Sunday night as the Cannington club beat the Huskies 11 to 7. Gerry McElwain is the Huskies leading scorer and hopes to give Nicholson a good run during the second half of the schedule. The Lakefield goalie Ralph Beavis is the leading goalie to date but Dennis Good who has been exceptional in the Huskies net during the past several games is still within striking distance.

The crowds have dropped substantially over the holidays as only 200 were on hand for the last 2 games. Although the Huskies do not have the power that they had during the past 2 seasons they can entertain with some hard checking. To have a successful club in our community it is necessary to have a good fan following. Don't let the players down as it is encouraging to them to have good solid support. Remember many of these players brought an Ontario Championship to this town last year. Support the Huskies.

HYDRO LINE TO BE USED FOR SNOWMOBILING

Under existing Provincial Parks Act regulations a Provincial Park is not open to snowmobiling except within an area which may be designated for the purpose.

Recently, all Provincial Parks in the Province were examined as to their individual capacity

to provide space for recreation snowmobiling in keeping with the recognized need for accommodation in this rapidly developing sport, and at the same time taking into account the availability of other developed facilities on both private and public lands and weighing in the balance the inescapable demands for protection of specific park values in some instances.

An ensuing announcement listed the majority of Provincial Parks which would be open and those in which snowmobiling would be prohibited. Algonquin Provincial Park included in the latter group with special reference to Bruton and Clyde Townships in Haliburton County.

The Haliburton area has an extremely active resident snowmobiling interest as well as a commercial one in the corresponding accommodation and supply industry surrounding this sport.

On these terms members of the Haliburton County Snowmobile Association and other representatives from the Community have requested the Department of Lands and Forests to review their decision as ap-

plied to the Ontario Hydro line right of way through Clyde Township.

As a consequence of these presentations pointing out the importance of snowmobiling to the community and in the assurance of the integrity and ability of the Snowmobile Association for confinement of snowmobiling within specified boundaries, the Hon. Rene Brunelle, Minister of Lands and Forests, has declared that effective immediately, prohibition on the use of the Ontario Hydro line right of way will be relaxed.

It is underlined that the amendment only affects the hydro line through Clyde Township and the decision will be subject to review again next year on the basis of the current season's activities.

Although full co-operation with in the snowmobile fraternity is anticipated, the Department is planning both air and ground patrols to ensure that snowmobilers do not wander off the hydro line right of way and intrude into other areas of the park which remain closed.

OUT ON A LIMB

Here it is 1972, and with each new year we go "Out on a Limb" and predict some of the happenings, which we think will take place in the coming year. At the same time the Progress makes notes on certain people we think should be given recognition for one thing or another. To those people we give the Progress Citation. We have been handing out these Citations of Merit each year and feel we have another good selection this year. The recipients don't make a great pile of loot, just go down in the records of time, as having left their mark in the pages of history in Minden.

Competition for the best dressed lady in the area gets tougher each year, but we feel we have the right choice in Minerva Cassidy. For the best dressed gentleman, we have no other than that man about town, Floyd Hall. These two citation winners have made great choices in their attire all year, which in turn, gives Minden a little class.

This community has always been noted for its number of Policemen, we have many who do a great job on the force and in the community as well, this years recipient for Constable of the year award goes to Mike Mahar.

The Citation for Mr. Minor Hockey was an easy choice, in the past we have had some great workers in Minor Hockey, but none has worked so hard, solved so many problems, and set up such a good functioning system as Richard Parisotto.

While with Minor Hockey we always give a Citation to the greatest fan, who donates his time and support to the kids of Minden, this years winner is Jim Shaw.

Sybil Hope walks away with a Citation of Merit for her work with the Minden Figure Skating Club. Sybil has served on the executive the past few years, and can always be counted on to do more than her share.

Sportsman of the year has been a real toughie — we have many men and women who log a great number of hours in the world of sport and outdoors — however we can't overlook Allan Sisson who has been a great sport for years and took part in both of Minden's Walkathons, completing the distance each time, at the age of 76.

In Club work, two men were easy winners, for Kinsmen it was Wally Bunn and for Rotary Percy Brintnell.

Reg Booth was an easy winner for Councillor of the year, Reg has been one of Minden's outstanding Councillors for many years.

For the most outstanding businessman in the area, we have selected a giant in John Alcott. Although John might not be too well known to everyone, his feats in the world of business are felt in many areas, it is great to have John and his family, living in our County.

Our next award goes to a Haliburton man who has contributed much publicity to the area, in the world of Hockey, for this Wren Blair wins a Citation of Merit.

Now for a couple of quickie predictions — Canadiens will win the Stanley Cup once again. Argonauts will capture the Grey Cup in '72. Trudeau will lose a Federal Election, and won't have to copy Sir John A Macdonald's hair style. Inflation will continue, unemployment will continue to rise. Those working will tend to spend even more on recreation, then ever before. The Hippie movement is all but finished — we can look for something even worse. The skirts have reached the boredom length — look for a big change here. Those new stretch knit pants some of the swingers are wearing around town will not last, unless the manufacturers decide to install a fly. Last but not least Minden will finally have a new arena.

So there you have it for another year — to all the citation winners, we offer our congratulations, you have made good contributions, making Minden an interesting place in which to live.

LETTER TO THE EDITOR

130 Hunter Street West,
Peterborough, Ontario,
30 December, 1971.

Dear Sir:

I wish to take this opportunity of wishing you and your staff the compliments of the season and all success for the new year ahead.

1971 was a difficult year for those of us in the Canada Manpower Centres but with the introduction of new programs such as the local initiatives program and Canada Manpower Training on the job program this winter, we look hopefully forward to a more active spring.

At this time I would like to thank your newspaper and your reporters for the excellent coverage they have given our activities and programs during 71. My staff and I are always prepared to provide any available information to the public through your medium.

Yours truly,
R.E. Kenzie,
Manager.

MINOR HOCKEY —

Pee Wee 'A's Drop A Pair

Minden's Pee Wee A team dropped a close fought 4 - 3 decision to Haliburton Tuesday, December 21st. Although outskating and outshooting Haliburton 30 - 13, they couldn't put the puck past their goaltender often enough to win. Brian Shaw, Tom Gough, and Peter McKenzie were the marksmen who managed to beat the Haliburton netminder. Brian and Tom are up from the high-flying Novice Club.

After the Heartbreaking defeat Tuesday evening in Haliburton, the Pee Wee A's just didn't have it Wednesday when they were thoroughly out played by Fenelon Falls, who whippd them 5 - 1. The shots on goal were 30 - 9 in Fenelons favour. Pete McKenzie spoiled the Fenelon teams shutout.

Pee Wee B's Off To Good Start

The Minden Pee Wee B team is two for three in exhibition play to date. All the games have been against Haliburton. Haliburton shutout the Minden team 4 - 0 in their first meeting but its been all Minden in the next two.

The second game was 2 - 1 for Minden with Haliburton scoring with less then two minutes in the game. Al Northey and Marvel Mintz scored for Minden.

The latest victory was Wednesday, December 29th when Minden shutout Haliburton team 5 - 0. Brian Hogg was in the net for Minden.

I'm afraid that the scoring line on this game is not available, as the coaches have not bothered to phone me as I have requested on many occassions in the past. The number once again is 286-1318.

Get out and support your Novice club this weekend, Minden has a home and home game with Haliburton, Friday at 7:00 p.m. and Sunday at 4:00 p.m. The Novice Club is in second place in the 9 team league with only two loses.

CURLING —

This years Tuesday night men's league looks like a real dandy. Seven of the eight teams are within one win of rift place with Bill Payne's team half a game in first place, at the present time.

The Ladies league is as balanced as ever again this year. Marge Windover is in first place, one game up on the rest of the pack.

Thursday nights mixed league finds a three way tie for first place between Bill Ingram, Lyle McKnight, and Roy Windover.

Friday evening mixed league also has a tie at the top with Harry Campbell and Doug McGee. Both these teams are undefeated after three weeks of play.

SHUFFLEBOARD —

Winners of the Dominion Hotel tournament the past two weeks were:- December 20th, Ian Minto and Paul Warburton. December 28th John Harrison and Paul Warburton.

PREDICTIONS OF THE WEEK —

January 8th Toronto over Philadelphia 5 - 1. Montreal over Los Angeles 6 - 3.

January 9th Toronto over Buffalo 6 - 2. Chicago over Montreal 7 - 2.

Things you should know about....

YOUR NEW COMBINED GOVERNMENT PLAN

The new "Ontario Health Insurance Plan" will provide all the coverage now available to you under both OHSIP and Ontario Hospital Insurance. And it will do so at a lower combined premium than you now pay for the two separate plans.

The new premiums will be payable in January, 1972, and thereafter, to cover benefit periods beginning on or after April 1, 1972. These new premiums will be:

- \$11.00 a month for a single person, and
- \$22.00 a month for a family (2 or more eligible persons)

REPLACES "OHSIP" AND "ONTARIO HOSPITAL INSURANCE"

The Ontario Health Insurance Plan will replace the OHSIP (medical) and Ontario Hospital Insurance plans as of next April 1, and you will then have only:

- one plan to deal with;
- one health insurance identification card;
- one health insurance number (your former Ontario Hospital Insurance number);
- one combined premium to pay.

If you now have Ontario Hospital Insurance, your changeover to the new combined plan will be automatic. No action on your part is required as the new plan will be based on the existing hospital insurance billing system.

FREE FOR SENIOR CITIZENS

(After 1-year Residence in Ontario)

As of January 1, 1972 residents aged 65 and over are exempt from paying Ontario Health Insurance premiums to cover themselves and their eligible dependents. To benefit from this exemption, insurance may be transferred to the name of the older spouse if it is presently in the name of a spouse under age 65.

Most residents aged 65 years and over have already applied for premium-free coverage, but if you have not done so, please write to the Plan giving your Ontario Hospital Insurance number, your OHSIP number, and month and year of birth.

Persons who turn 65 after January 31, 1972, should apply at the time for free coverage. If you pay your premium on a direct basis, write to the Plan for an application. If you pay through a group, advise your group. Premium-free coverage will take effect on the first day of the month in which your 65th birthday occurs. Any premiums paid to cover benefit periods beyond that date will be refunded.

PREMIUM ASSISTANCE

(After 1-year Residence in Ontario)

Effective with the benefit month of April, 1972, individuals and families with no taxable income for the year 1972 are eligible, on application, for 100% Ontario Government premium assistance.

Individuals with less than \$1,000 taxable income in 1972, and families with total taxable income of under \$2,000 are eligible for 50% premium assistance. This will reduce the monthly premiums to \$5.50 for such individuals (instead of \$11.00) and to \$11.00 for an eligible family (instead of \$22.00).

Taxable income is the amount on which a person pays income taxes, after subtracting from his total income all exemptions and other deductions to which he is entitled.

Note: If you remit your premiums on a direct basis, details on Premium Assistance will be mailed with your next Premium Notice. Residents enrolled in groups will be informed through their groups.

NEW IDENTIFICATION CARDS

The Plan will provide each insured single person and each insured head of a family with a new Ontario Health Insurance Identification Card to use for insured services received on or after April 1. Anyone who has not received his or her card by that date should use the current Hospital Insurance Certificate, after April 1, 1972, for medical and hospital services until the new card is received.

Your present OHSIP card should be used when claiming for medical and practitioner services received up to March 31, 1972.

IMPORTANT

As the present Ontario Hospital Insurance numbers and billing system will form the basis of the new plan, anyone who does not now have hospital insurance coverage should register without delay.

Applications are available in banks and hospitals and from offices of the Ontario Health Insurance Plan.

BE SURE YOU ARE COVERED NEXT APRIL 1st!

ONTARIO HEALTH INSURANCE COMMISSION

LA RONDINE

A love story set to glorious music by Puccini, La Rondine starring Canada's Teresa Stratas of the Metropolitan Opera Company will be telecast on CBC-TV in a 90-minute color production, Wednesday, January 12 at 9:30 p.m. In duet in this scene, Miss Stratas is pictured with her leading man, American tenor Anastasios Vrenios. The opera is set in Paris and on the French Riviera in 1870, and is the story of a beautiful demi-mondaine (Miss Stratas) who briefly forsakes a life of luxury for the love of a poor country boy. The production is by CBC's Emmy award-winning producer, Norman Campbell (whose production of the Hansel and Gretel opera last season won nation-wide acclaim). Beautiful sets and costumes add lustre to this CBC-TV Musical.

IS YOUR INSURANCE COMPLICATED?

Not to us! We have a trained way of explaining in simple terms just where you stand on your general insurance. As local businessmen we understand your needs for protection of home, car, cottage and boats from fire and burglary, as well as special perils. Because of the rapid pace of business today it's difficult to keep up with new and better services. With this in mind, we have folders explaining many features and benefits on specific types of protection. Give us a call and we'll be

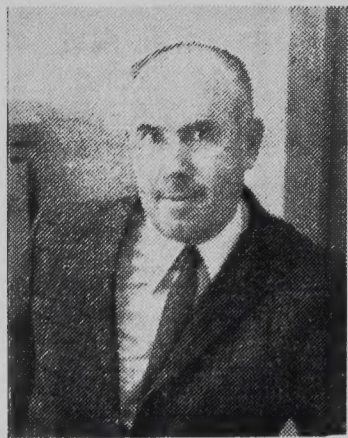

along to see you and uncomplicate your General Insurance. You can depend on us, we are Independent Insurance Agents.

NEW APPOINTMENTS MADE IN HALIBURTON COUNTY

Pictured above is the new County Engineer for the Provisional County of Haliburton, Mr. Jack Cox. Mr. Cox was born in Keppel Township, Grey County, and has his Bachelor of Applied Science degree from the University of Toronto in Civil Engineering.

Mr. Cox comes to this County with a wealth of experience, working prior to his appointment here with the Roadways Department, City of Hamilton, the Toronto and York Roads Commission and Region of York for the past 16½ years. He is a member of the Association of

Professional Engineers of Ontario, and a member of the Canadian Technical Asphalt Association.

Jack is married, with three daughters, and has taken up residence here in Minden.

The County has been fortunate to hire another well trained, experienced man in William Charles Everson, the new General Superintendent for the County Roads System.

Mr. Everson was born in Tharah Township, Ontario County. He has been employed over the past 24 years with Miller Paving Ltd., Toronto, and has taken up residence here in Minden.

This paper would like to welcome, on behalf of the County of Haliburton, both Mr. Cox and Mr. Everson. We are sure they will enjoy the County of Haliburton, and both will be a big asset to the area.

FIGURE SKATING NEWS

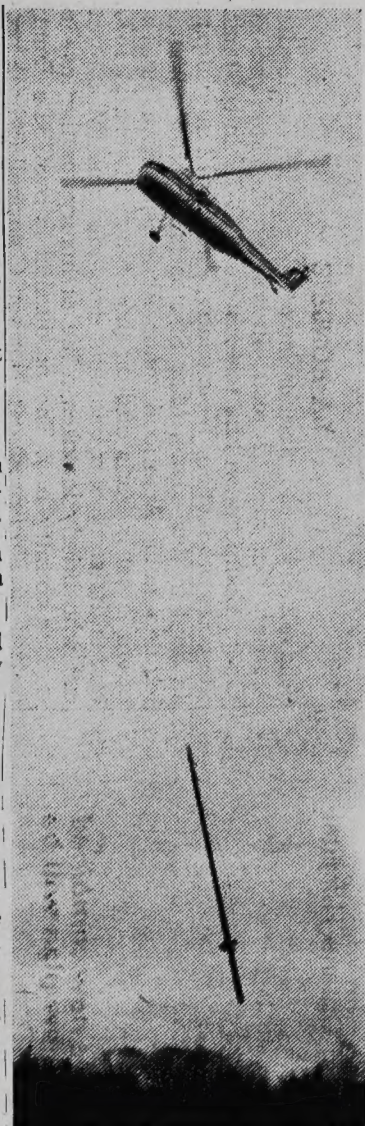

The Minden Figure Skating Club is in full swing this week as club competitions are being held in the Haliburton Arena. The Juniors competed on Tuesday of this week and the Seniors will perform on Saturday.

The winners of these competitions will go to Bobcaygeon to compete in Inter-club. The clubs taking part in this event are Lindsay, Lakefield, Minden, Bobcaygeon and Haliburton.

The local club will be conducting a lucky draw this month and they will also be sponsoring another dance in February.

Kelly Beeney placed third in Lindsay's Club Competition last week.

President Pat Campbell and family are enjoying the sunny skies of Florida.

This picture shows another view of Ontario Hydro's new Sikorsky 58-T airlifting a pole for a new rural line at Redstone Lake just northeast of Minden. Four miles of line are being built using airborne line construction techniques pioneered by Hydro.

SNOWMOBILE ACCIDENT CAUSES INJURY

Minden OPP reported a snowmobile accident on the Salmon Lake Road at 12:25 a.m. Jan. 1, in which the driver of the snowmobile Joan McCausland Gooderham, lost control of her machine and left the road. She was taken to Minden Red Cross Hospital suffering a broken leg.

The investigating officer was William Clendenning, of the Minden attachment.

The Expropriations Act

NOTICE

OF APPLICATION FOR APPROVAL TO EXPROPRIATE LAND

Department Of Transportation And Communications
IN THE MATTER of an application by the Minister of Transportation and Communications for approval to expropriate In the Township of Minden, in the Provisional County of Haliburton, in the Province of Ontario.

FOR THE PURPOSE of acquiring sufficient land to widen Highway Number 35.

NOTICE IS HEREBY GIVEN that application has been made for approval to expropriate the land described in the schedule hereto.

Any owner of lands in respect of which notice is given who desires an inquiry into whether the taking of such land is fair, sound and reasonably necessary in the achievement of the objectives of the expropriating authority shall so notify the approving authority in writing,

(a) in the case of a registered owner, service personally or by registered mail within thirty days after he is served with the notice, or, when he is served by publication, within thirty days after the first publication of the notice;

(b) in the case of an owner who is not a registered owner, within thirty days after the first publication of the notice.

THE APPROVING AUTHORITY IS
Minister of
Transportation and Communications
Parliament Buildings,
Toronto 5, Ontario.

Minister of
Transportation and Communications
W. G. Wigle, Director,
Right-Of-Way Branch.

1. The Expropriations Act, provides that,

(a) where an inquiry is requested, it shall be conducted by an inquiry officer appointed by the Minister of Justice and Attorney General;

(b) the inquiry officer,

(i) shall give every party to the inquiry an opportunity to present evidence and argument and to examine and cross-examine witnesses, either personally or by his counsel or agent, and

(ii) may recommend to the approving authority that a party to the inquiry be paid a fixed amount for his costs of the inquiry not to exceed \$200 and the approving authority may in its discretion order the expropriating authority to pay such costs forthwith.

2. "owner" and "registered owner" are defined in the Act as follows:

"owner" includes a mortgagee, tenant, execution creditor, a person entitled to a limited estate or interest in land, a committee of the estate of a mentally incompetent person or of a person incapable of managing his affairs, and a guardian, executor, administrator or trustee in whom land is vested;

"registered owner" means an owner of land whose interest in the land is defined and whose name is specified in an instrument in the proper registry, land titles or sheriff's office, and includes a person shown as a tenant of land on the last revised assessment roll;

3. The expropriating authority, each owner who notifies the approving authority that he desires a hearing in respect of the lands intended to be expropriated and any owner added as a party by the inquiry officer are parties to the inquiry.

SCHEDULE

All right, title and interest in the land described as follows:

In the Township of Minden, in the Provisional County of Haliburton, in the Province of Ontario being:

(a) Part of Lot 2, Concession 4, designated as PART 22 on Department of Transportation and Communications' Plan P-2904-39 deposited in the Registry Office for the Registry Division of Haliburton as Plan 19R-212.

(b) Parts of Lot 10, Concession 9, designated as PARTS 4, 5, 6, 7, 9, 10, 11, and 12 on Department of Transportation and Communications' Plan P-2904-42 deposited in the Registry Office for the Registry Division of Haliburton as Plan 19R-215.

(c) Part of Lot 14, Concession 11, designated as PART 9 on Department of Transportation and Communications' Plan P-2904-43 deposited in the Registry Office for the Registry Division of Haliburton as Plan 19R-218.

(d) Part of:

(i) Lot 2, Concession 6, designated as PART 23

(ii) Lot 3, Concession 6, designated as PART 21

On Department of Transportation and Communications' Plan P-2904-47 deposited in the Registry Office for the Registry Division of Haliburton as Plan 19R-217.

This Notice first published on the 6th day of January, 1972.

SIR SANDFORD FLEMING COLLEGE

CONTINUING EDUCATION DIVISION

PRESENTS

TEN FULL - LENGTH FILMS

THE PROGRAM: This course, called Classic Film Appreciation, gives you the opportunity to see the following feature-length motion pictures, and discuss their significance in terms of technical brilliance, great acting, social significance, or just plain nostalgia.

January 7	Animal Farm
January 14	Open City
January 21	Top Hat
January 28	Casablanca
February 4	The Great Train Robbery
February 11	The Wild Bunch
February 18	Louisiana Story
March 3	La Grande Illusion
March 10	On The Waterfront
March 17	Paths of Glory

THE PLACE: This course will be presented at the College's Haliburton School of Fine Arts office in Haliburton Village, starting time 7:30 p.m.

THE INSTRUCTOR: Gordon Gray is a full-time instructor with Sir Sandford Fleming College. He holds a Master of Fine Arts degree from the University of California, and is conducting a film appreciation course similar to this one in Peterborough's continuing education program.

TO REGISTER: Telephone Mrs. Carol Duncan at 457-2214, Haliburton; Mrs. Sid Cooper 754-2275 Eagle Lake; Mrs. Allin Rogers 286-1395 Minden.

(Please note the course is being held on Friday evenings)

FEE: \$15.00.

H.H.S.S HELD PUBLIC SPEAKING CONTEST

The Oral Communications Festival, sponsored by the Ont. Public School Trustees' Association and Ontario Hydro, had a local contest at Haliburton Highlands Secondary School on Monday, December 20. Winners compete in zone finals, Mar. 1, in Pickering, Ontario. Each participant there receives a recording of his choice, and winners receive prize money and the opportunity of competing for Ontario championship in Toronto.

There were seven contestants in the local contest: Mike Harrison and Penny Hartin in the prepared speech division, and Rick Wolkowski, John Crawford Nancy Rittwage, Kirk Hewitt and Kathy Hodgson in the impromptu division. Judges for prepared speeches were Mr. John Stouffer, Mr. Bill Valentine, and Gerry McElwain; for the impromptu division Mrs. Madden, Mr. Sid Cooper and Candice Bailey.

Penny Hartin placed first with an original interpretation of the Threat of Pollution. Mike Harrison placed second with a carefully researched and interesting talk on Tourism in Haliburton County. Among the impromptu speakers, John Crawford placed second with his opinions of the Women's Liberation Movement. Kathy Hodgson placed first with her reflections on 'Mud'.

LOCAL JEHOVAH'S WITNESSES ATTEND CONVENTION

Following a successful 3 day convention just completed at Sutton West, local delegates returned home spiritually uplifted and encouraged to accelerate their ministry in all phases of life.

The key address of the assembly delivered by District Supervisor W. Veenstra, covered the authorized Biblical proof of the fact that many will live forever here on earth. Life hinges on man's obedience to God and his primarily learning to live a true Christian life, practising such daily in harmony with God's Guide Book.

The encouraging theme pointed further to the convincing and time-proven evidence that Christian people have always reflected the high standard of Christ's life. We live in a world where many nations and people profess to be Christians, yet in reality 'say one thing and do another'. Stress was made how the Witnesses do not follow this trend.

1161 were in attendance for the public discourse. Local presiding minister, Mr. Raymond Zwidayk was enthused over the practicalness of the program.

ABOUT THE TOWN

With Jeanne Sears

The winter works grant is being used to some extent in our County; this is employing those able to do outdoor work and consists of cutting brush and trees for right-of-ways. Some of this is burned but some is used to feed the deer. In the event of a severe winter as last year this helps to conserve the game which we have.

At the L.O.B.A. Card Party last Monday at the Orange Hall winners were for euchre Lyman and Mary Cox, Harian Hounsell, Alec Hewitt and Allan Cox (Lone hand); and for cribbage Peggy Brown. After the games all enjoyed the delicious lunch and cup of tea served by the ladies.

New Years Eve Parties were general in the area at homes, the Canadian Legion, Wig-A-Mog Inn, Deer Lodge, Gelert Gardens, and we understand the "Swinging Crowd" was at the Dominion and Rockcliffe Hotels to usher in the New Year.

Patients at the local hospital on Monday included Mrs. Diane Thomas, Mrs. Martha Vanderwal, and Oliver Sholer, Miss Beverly Ann Prentice is a patient at Civic Hospital, Peterborough and Don James at Oshawa General.

Maurice Chevalier, debonaire French entertainer has died — the first time we remember seeing him was in the 30's with Jeanette MacDonald, in the Merry Widow, perhaps you would never forget hearing him singing Gigi.

Sports enthusiasts would surely have their eyes tired from watching over the weekend with several football games and one day a hockey game in the evening. The Rose Bowl Parade was really spectacular, however that's the time one wishes for a colour set.

Mrs. Bill Roodenburg leaves very soon to travel by air to the Netherlands to visit her mother and other relatives and friends.

Alberta has become the second province to make a 2c refund on all soft drink containers. They followed B.C. in this law and Manitoba and Ontario are considering it. Perhaps in time there will be an end to the litter from bottles and cans.

We have been considering having a class to teach the art of crocheting. Now if enough inquiries as to this we could have this Wednesday evenings in January or February. Give me a call if you are interested and this is for all ages and is a craft that many people do not know.

Holiday time is over, the crowds of students and people at cottages were really amazing. Anyway all enjoyed the snowmobiling but be sure and check on the ice thickness before going on a lake. Fish huts are now set up on some lakes as the Fishing Season opened on the 1st of January.

Just received word that Marian Ingram is in Scarborough Centenary Hospital, room 735. We wish her a speedy recovery.

Weatherwise it has been not too bad, enough snow for snowmachines — drive carefully.

Cheerio until next week.

SNOWMOBILE ACCIDENTS HERE OVER WEEKEND

A Barrie man was hospitalized Saturday following a snowmobile accident on the Barrie Line, about eight miles north of Haliburton.

Treated at Haliburton Red Cross Outpost Hospital and later transferred to hospital in Barrie was James Borland, 42. He suffered a broken right arm, his jaw was broken in three places, and he had lacerations to his chin, police said.

Police report that Borland lost control of his vehicle, jumped from the machine and slid into a fence. The accident occurred at about 12:15 a.m.

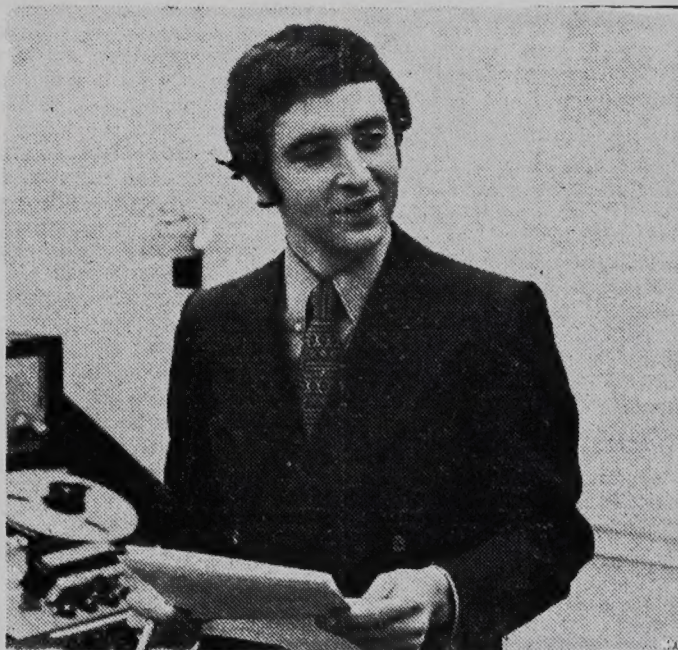

\$2,000 DAMAGE

Damage was estimated at \$2,000 when a car driven by John Henderson, 38 of Elgin St. Lindsay, struck some guideposts on Highway 121 and rolled over. The accident occurred just north of Powles Corners at about 8:40 p.m. Sunday. OPP Constable D. W. Fitzpatrick of the Cobocok detachment investigated.

AS IT HAPPENS

Broadcaster-journalist Barbara Frum alternates with William Ronald a host of the week-night phone-out program As It Happens, 6:30 - 8 p.m. on CBC Radio. The show rollercoasts across Canada's time zones, live, using phones to break time and distance bringin listeners firsthand accounts of front page and human interest stories happening around the world.

IDENTITIES

Andrew Szende is the personable host of Identities, CBC Radio's series about Canada's ethnic minorities, broadcast Saturday at 1:30 p.m. Andrew, aged 27, was born in Budapest, Hungary and came here with his parents in 1957. He is now a reporter with the Toronto Star. His foreign background, coupled with his journalism experience, combine to make him a most suitable host for Identities.

RED CROSS

IS ALWAYS THERE

WITH YOUR HELP

NOW HEAR THIS

by Lorna Rogers

In some science fiction there is less of fiction and more of fact. An example is Colossus, a chillingly possible drama adapted and directed by Henry Comor from the novel by British writer and computer expert, D. F. Jones. It's scheduled on CBC Stage, Jan. 8. Don Harron plays Prof. Sordin, designer of Colossus, a super computer in charge of defence of the free world, and a store for every kind of information. The voice of Barry Morse as Colossus was recorded separately from the rest of the cast, then given special treatment to give it a marvelously sinister effect. Comor and technician Derek Stubbs spent nearly 100 hours on the production.

Alan King, like Henry Comor, is also an actor, writer, and director. He performed the

functions of writer and director for Letters of a Remittance Man, heard on The Bush and the Salon, Jan. 8. It's based on the book by W.H.P. Jarvis, a fictional account of the experiences of an English remittance man in 1908 in the Canadian west. According to King, it's such an accurate picture of the class of people who came here at that time, and their attitudes towards the country and people that it could almost be classed as non-fiction.

Ideas presents a two-part show on Jan. 10. Part 1 is a documentary by Val Clery on the Power of the Press in Canada; Part 11 centres on The Press in the Maritimes, where the power of the press is obvious because the papers rest in the hands of a few families.

The CBC Talent Festival 71-72 continues on Musicscope, Thursdays until the end of March. One of Canada's most important and comprehensive compe-

titions, the yearly CBC search for new Canadian talent affords not only excellent experience and exposure for young musicians in this country, but also gives the radio audience the chance to hear what the standard is across the country. Carl Little, assistant network supervisor of the CBC's music department, speaks of the rise in quality of performance and says, 'this year was particularly encouraging in the string category. Instead of the usual dearth in this area, the category is one of the strongest'.

(b) the inquiry officer,

(i) shall give every party to the inquiry an opportunity to present evidence and argument and to examine and cross-examine witnesses, either personally or by his counsel or agent, and

(ii) may recommend to the approving authority that a party to the inquiry be paid a fixed amount for his costs of the inquiry not to exceed \$200 and the approving authority may in its discretion order the expropriating authority to pay such costs forthwith.

2. "owner" and "registered owner" are defined in the Act as follows:

"owner" includes a mortgagee, tenant, execution creditor, a person entitled to a limited estate or interest in land, a committee of the estate of a mentally incompetent person or of a person incapable of managing his affairs, and a guardian, executor, administrator or trustee in whom land is vested;

"registered owner" means an owner of land whose interest in the land is defined and whose name is specified in an instrument in the proper registry, land titles or sheriff's office, and includes a person shown as a tenant of land on the last revised assessment roll;

3. The expropriating authority, each owner who notifies the approving authority that he desires a hearing in respect of the lands intended to be expropriated and any owner added as a party by the inquiry officer are parties to the inquiry.

SCHEDULE
